This spacious 120 m2 apartment, for sale, is located in the center of La Massana, a very well connected area, next to all shops and services, as well as next to the access to the Vallnord Pal-Arinsal ski domain by cable car. The day part consists of a small hall area that gives way to a bright and spacious living-dining room with windows that occupy a whole wall and let the sun enter during all the afternoon. The closed kitchen is fully equipped and has plenty of room for the culinary arts lovers, with granite countertops and multiple closets and drawers, as well as a laundry area for the washing-machine and dryer. In the night part, we find a first large double bedroom with a double built-in wardrobe, a second double bedroom with a single built-in wardrobe, a single room that can have several uses, a large bathroom with bath and shower and a separate toilet. The finishes are of very good quality, with stoneware floors, simple to clean, except in one of the rooms where there is a parquet installed and in the bathroom where there is a marble floor that makes set with the walls. This beautiful and bright apartment in the center of La Massana is ideal for those who seek a maximum tranquility together with a lot of comfort, in one of the most dynamic areas of the Principality.
