Exceptional villa for sale next to the Finca Cortesin golf course, voted Best Golf Resort in Europe, between Marbella and Sotogrande. This sensational property is part of Villas Golfside, an exclusive residential complex of 16 individually designed villas with private pools and gardens, and created by renowned architects. This villa consists of approximately 578 m² on a 1,937 m² lot. Contemporary in style, its open-plan design provides a greater sense of space. In addition, its location offers fantastic views of Andalusia. The upper floor has a spacious suite with a full bathroom, a dressing room and access to a large terrace and a porch. On this floor there are also several storage spaces, and the garage with capacity for several vehicles. The day area is located on the lower floor of the villa, and is distributed in a magnificent living room with access to the porch and the pool, and in a fully equipped kitchen with a dining area. This area also consists of a patio, storage spaces and a laundry area. On the lower floor there are also the rest of the rooms, two of them en suite with a dressing room and full bathroom, and a third double, although with private access to its own bathroom and dressing room, and also with access to the porch. The unevenness of this villa allows access from the upper part of the property, which allows it to dominate the rest of the land. In addition, it is built with excellent quality finishes and equipped with the latest home automation technology and security system.
